Position: Help Desk Coordinator

Minimum Qualifications:
1. Associate’s degree in Computer Science or related area or a Bachelor’s degree required. A combination of education, work experience and certification(s) that demonstrates a high level of technical skills will be given consideration in lieu of the degree.
2. A minimum of two (2) years of related work experience required.
3. No special licenses required. A+ certification preferred.

Job Functions: This position is responsible for coordinating technical support to all college personnel for any of the college’s technical resources. This representative is the first level of support for installing, configuring, upgrading and maintaining the college technical resources including but not limited to personal computers, software, printers, mobile devices, media, audio/video, telephone and wireless equipment. Also responsible for managing relationships with end users, act as a technical liaison between the colleges departments and verifying that all technical support requests are satisfactory completed. The employee will:

1. Manage the colleges help desk software system and ensure that all technical help requests and queries are satisfactory completed.
2. Document, log and track support requests and prepare periodic reports regarding activity and highlighting trends.
3. Provide technical assistance to troubleshoot and resolve end user problems.
4. Provide technical training to employees and faculty upon request.
5. Maintain a single point of communication for all populations using the technical resources of the college including employees, faculty and students concerning any technical support issue.
6. Coordinate technical support specialists in scheduling installations, maintenance and other technical support activities.
7. Perform hardware/software setup, upgrades and configuration for technology resources.
8. Deployment and management of IP-based multimedia and communications technologies including videoconferencing, video surveillance, and emergency alert systems.
9. Assist with special projects as needed which may include design, research and consulting related to new initiatives like: Microsoft Office365, Clanton Multimedia AV systems, ID Card printing, Campus Video Surveillance and various other department-level initiatives.
10. Assist in evaluating hardware and software requirements for future needs of college.
11. Assist college personnel in assisting students with various technology related issues.
12. Assist and support events requiring special audio-visual at all campuses, particularly the Clanton Performing Arts Center.
13. Maintain the helpdesk FAQ, assist in making getting quotes for technical equipment and manage the helpdesk phone line to answer questions and generate help tickets for users.
14. Other related duties as assigned.

Salary: $40,000 to $55,000 based on State Board of Education Salary Schedule C-3 and experience.

Application Deadline: 4:30 p.m., August 26, 2016

Application Procedure: A complete application packet consists of:
1. A completed Jefferson State Community College application specific to this position.
2. Current resume.
3. Transcripts (unofficial copies will be accepted before the deadline but official transcripts must be on file before an offer of employment). Transcripts must include conferred or awarded date.
4. Work experience verification in writing from your current and/or previous employer(s) confirming the required level of experience as stated in the “Minimum Qualifications” section. Verification should include dates of employment and position title(s). Upon request from the applicant, work experience verification from dates from current employer only may be delayed until an official offer of employment. Request must be made in the form of a statement on a separate document. If applicant delays verification from current employer and it does not cover required level of experience as stated in the “Minimum Qualification” section, verification from previous employer(s) required. Remember that the work experience verification completion is your responsibility.
