## Application Deadline for Fall Admission: **June 2**

Jefferson State Community College and the University of Alabama at Birmingham are excited to offer students the option to obtain BOTH an associate degree in nursing (ADN) from JSCC ***AND*** a baccalaureate degree (BSN) from the University of Alabama at Birmingham at the *SAME* time!!!! Simultaneously completing the requirements for both the ADN and BSN programs will allow students to complete their programs of study in a much shorter time period while taking advantage of the lower community college credit hour costs!

Students will be admitted to the Joint Partnership option each **FALL** beginning in 2020. You must complete applications and be accepted to *both* schools. ALL general education coursework MUST be completed prior to admission in the Joint Partnership option. Students may be admitted conditionally if taking general education requirements in the semester prior to nursing program entry.

A specific application to JSCC's Nursing Education Program must also be submitted to determine placement in the Joint Partnership option. If a student is unsuccessful in **ANY** nursing course, they will be unable to continue with the Joint Program. Should this occur, these students will have the option of continuing in the JSCC ADN program or applying to UAB's traditional BSN program based upon program progression guidelines.

**Joint Partnership (UABNCCP) Applicants must also meet the following criteria:**

- ✓ Be unconditionally admitted and in good standing with BOTH UAB and JSCC. You are strongly encouraged to complete JSCC's college application by April 1st as you must be accepted to JSCC before you can send and have transcripts evaluated. Also, plan to send a current transcript as soon as possible to begin the evaluation process. Transcripts can then be sent again at the end of spring and summer semester if you continue to take required courses.
- ✓ Submit Joint Program application on or before the posted deadline.
- ✓ Minimum of **20 ACT** composite National or Residual.
- ✓ Complete all required academic courses prior to application deadline. Students can be admitted conditionally pending successful completion of ALL required coursework during summer term. Official transcripts must be received and evaluated prior to the first day of JSCC's fall semester.
- ✓ Minimum of **2.5** cumulative GPA on all college work.
- ✓ Minimum of **2.5** GPA on required academic courses for nursing.
- ✓ Meet the essential functions of the nursing program.
- ✓ All required general education course must be completed with a grade of "C" or higher for program admission and completion.

Admission to the UAB/JSCC Joint Nursing Program is competitive, and the number of students is limited by the number of faculty and clinical facilities available. Meeting minimum requirements does not guarantee acceptance.

The nursing education program is currently undergoing revision. Published guidelines and requirements are subject to change without notice. Updated information will be posted on the Jefferson State web site as available.
