Blackboard Quiz/Test Proctoring using Tegrity

IMPORTANT:

- Make sure you are using a computer or laptop with the necessary requirements.
- You must have a strong Internet connection.
- Test to make sure browser is working: <u>https://supportu.tegrity.com/#/diagnostic</u>
- Browser Settings: NO POP Ups.
- Install the Tegrity Recordings Manager.
- Go the following link to install: <u>http://help.tegrity.com/kb/install-tegrity-download-manager-on-a-pc</u>
- If you do not see the **Start a Recording** button your instructor may not have enabled it.
- You must start the Tegrity "**Take Test**" Recording before starting the Blackboard Quiz for it show as 'Proctored' to the Instructor in Tegrity. The Quiz Settings are determined by the Instructor and will be begin once you select the Quiz/Test.
- Make sure you have web cam if you do not have internal video camera on the laptop/computer.
- You also must have a webcam and microphone active to start a proctored test recording.
- **Do not close the laptop top** during or after the recording to make sure it is published to the 'Tests' tab for the Instructor to review.
- Email Alerts are set by default and will notify when a Recording has been uploaded or failed to upload.
- Only the Instructor will have be able to view the Tegrity Upload.
