Enrollment Support Services Specialists

College access, career and technical training, and higher education is possible for everyone! Jefferson State Community College is looking for a few outstanding individuals who will fill a critical need and help *Strengthen Student Success* as a full-time VISTA member.

Enrollment Support Services Specialists will lead the charge to function as career and assessment coaches; recruit, coordinate, and train volunteers; interface with community groups; and serve as catalysts with a goal of helping to remove barriers to education.

Skills needed: service-oriented, strong communicator, self-starter, research-focused, social media savvy, mentorship, team player.

Positions will be filled by January 4, 2019.
