

# Women in

# Manufacturing:

## 2<sup>nd</sup> Annual

# Hard Hats and *High Heels*

Manufacturing facilities are often thought of as dark, dangerous environments designed for low-skilled, male workers. We will address these and other misperceptions with:

- Hands-on demonstrations of equipment used in manufacturing
- Face-to-Face meetings with manufacturers seeking skilled workers

You must be in the 10<sup>th</sup>, 11<sup>th</sup> or 12<sup>th</sup> grade to participate in this event.

Seating is limited to the first 50 participants.
