JEFFERSON STATE COMMUNITY COLLEGE – Manufacturing and Technology
APPLICATION FOR SCHOLARSHIP
Women in Manufacturing Initiative
(The Women in Manufacturing Initiative is supported in part by the Women’s Fund of Greater Birmingham)

APPLICATION INFORMATION

Scholarships funds are available to assist eligible women interested in pursuing a career in Manufacturing and Technology. The Women in Manufacturing Initiative will work with other programs to seek out additional financial assistance for women enrolled in the program, including but not limited to federal financial aid, Workforce Investment Opportunity Act (WIOA), and state and local dollars to help provide funds for eligible women to pursue a certificate or degree at Jefferson State Community College in Manufacturing and Technology. Funds will be applied directly toward the payment of tuition and fees and/or certification via internal processes. Applicants must meet the below Eligibility Requirements to qualify. A program representative will contact you upon receipt of your application for further instructions.

Eligibility Requirements

- Applicant must be a high school graduate or GED
- Applicant must enroll in Manufacturing and Technology
- Applicant must demonstrate financial need

Required with Application

- Jefferson State Community College Admission Application*
 - Free Application for Federal Student Aid (FAFSA)*
- *Assistance to complete this is available, please contact Sophia Guan
