Test availability exceptions

For existing availability settings, you can make exceptions for individual students or groups. Use exceptions to provide an accommodation to a student who is disabled or for technology and language differences.

Go to Test in Bb and select "Edit the Test Options":

		Edit the Test Options				

Scroll Down to Test Availability Exceptions and select Add User and then Submit.

т	EST AVAILABILITY EXCEPTIONS	
Click Add User or Group to search for course users and groups to add to the exception list. Timer and force completion must be enabled in the previous test availability step to enable those settings for exceptions. If you choose to use groups, you must make the group unavailable if you d want students to see group members. Click Remove all Exceptions to delete all exceptions for the test.		
	Add User or Group	

Create these exceptions:

- Number of attempts
- Timer (added time for ADA student)
- Availability: Date and time the test is available to the student.
