We are looking for compassionate and driven certified nursing assistants to join our fast-paced facility. We strive to provide excellent care for our residents, and want excellent certified nursing assistants to join our team.

Responsibilities include, but are not limited to: Performing direct resident care duties under the supervision of nursing personnel and assist in maintaining a positive physical, psycho-social, safe and clean environment for the residents; Provide ADL (Activities of Daily Living) services for residents to include: bathing, dressing, grooming, dental/oral care, bowel and bladder function, incontinent care, ear and eye care, turning in bed, transferring and positioning, showers, taking vital signs, measuring and recording I&O, performing range of motion and skin care, preparing and assisting with meals, fluids, nourishment and snacks, recording food intake and performing after meal care; Maintain a professional working relationship with other health care team members, respond positively to change and satisfy our resident's needs.

At Shelby Ridge, we care for those caring for our residents. We offer a family-like atmosphere, competitive wages, shift differential, professional growth opportunities, and a benefit package including Blue Cross Blue Shield.
