

## **Alabama Ophthalmology Associates is currently seeking COVID door screeners for our busy clinic.**

Position will provide screening to all patients, staff and visitors entering the building. Screener is required to ask specific questions and take temperatures. Great opportunity for a college student needing flexible hours. Candidates must have excellent communication skills, the ability to work in a fast paced environment, the ability to be assertive while showing compassion. Candidates must feel comfortable screening all levels of people – patients, staff, physicians and visitors. Position may need to tell someone they cannot enter the building.

Part time morning and afternoon shifts available. Pay: \$10/hour

**Send resume to [dusti@aoapc.com](mailto:dusti@aoapc.com)**
