

Blackboard Course List and Settings

The Course List contains a list of the courses you are enrolled in. You can change the Zoom percentage settings to view the screen as shown on the right versus scrolling. Make sure to use Google Chrome as your browser. To check settings select the icon  in the top right of the browser screen.

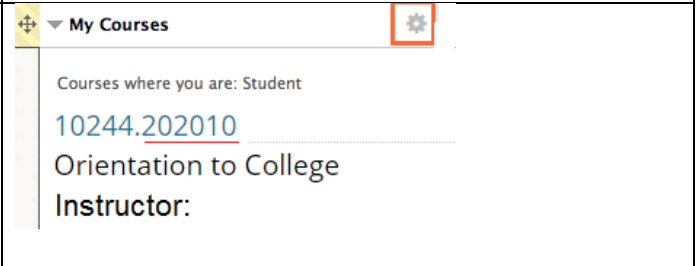

Check your browser for Blackboard:

The first 5 digits indicate the Course Registration Number. The last 5 digits indicate the Term (i.e. 202010 for Fall 2020).

If an Instructor selects to combine courses then it will be shown as 10244.202010.xlist

You can manage the course view from the My Courses module on the My Institution tab.

Go to "Manage Course List Module Settings."

Under Personalize Course List: Select "Group by Term" is selected. Select Submit. Your Course List:
