

# MAC Animal Hospital

**Position:** Veterinary Assistant

\*\* At MAC Animal Hospital, you will have the opportunity to advocate for pets and educate clients on all aspects of pet health. In addition, if your goal is to advance in your career, you'll have access to a variety of learning and development opportunities along the way.

## **Responsibilities:**

- Support veterinarians to ensure quality veterinary care, advocate for pets, and educate clients.
- Assist veterinarians to maximize productivity and maintain positive patient flow.
- Assist with surgeries and procedures.
- Communicate with clients about individualized pet health concerns and offer guidance on Wellness Plan options, medications, and additional treatments.
- Assist in maintaining relevant, comprehensive medical records with the support of practice systems.
- Obtain relevant health history and information from clients and maintain medical charts.
- Use safe restraining techniques following standard protocols.
- Maintain clean, sterile, organized treatment areas, exam rooms, and labs.
- Be willing to guide, mentor, and support fellow team members.
- Prepare surgical suite and surgical patients.
- Fill prescriptions.
- Performing laboratory work and diagnostic imaging.
- Providing compassionate care and a home away from home for boarded and hospitalized pets.

**Apply** by emailing your resume to [tchattman@macanimalhospital.com](mailto:tchattman@macanimalhospital.com).

Pay: \$9.00 - \$11.00 per hour
