

Safety Lane Inspector

Here is the description:

Founded in 2004, P&S Transportation is one of the fastest growing flatbed trucking operations with terminals nationwide. We are continuously expanding and improving our services through our commitment to hiring the best and brightest in the Logistics and Transportation field. By targeting experienced professionals, partnering with the best universities, and recruiting straight from the top programs in logistics and operations, we support our vision to be on the cutting edge of transportation. Our goal is to stay ahead through our emphasis on driver satisfaction and retention, cutting edge technology, offering creative solutions, customer partnerships and smarter people than our competition. Our business is growing exponentially, and we require the best to help us continue our path of success. Join our team and be a part of the future of the industry.

Must consistently demonstrate the company's Mission and Values. They must have good oral and written communication skills in order to effectively interact with customers, drivers and other team members in person, email, and on the telephone.
