# Banking & Finance Administration

## Why Should You Choose the Jefferson State Program?

- Jefferson State has a 40+ year history of an accredited Business/Finance Administration degree program. The degree is accredited by SACS (Southern Association of Colleges and Schools) and ACBSP (Accreditation Council for Business Schools and Programs).
- Attend classes during the day or night, or enroll in Internet courses while working full-time or part-time. All BFN Banking courses are offered only online.
- Earn both a Finance Administration Certificate and a college Business degree with a Banking & Finance Administration concentration.
- Many of the courses in the Banking & Finance Business Management degree program transfer into a four-year college or university Business degree. Many do not. Please ask an advisor.

## Why Earn a Business Management Degree in Banking & Finance Administration?

### You'll Develop Skills Required To:

- Manage people in a credit union or bank
- Manage financial information efficiently
- Improve your career opportunities

### Employers Value & Recognize Employees Who:

- Improve their financial management skills
- Make informed management decisions
- Develop skills transferable within the organization

## What do I do first?

Visit [www.jeffersonstate.edu/programs/](http://www.jeffersonstate.edu/programs/) to learn more details on the Banking & Finance program.

## You'll Learn:

- Applicable banking & finance skills
- Accounting and computer skills
- Specialized knowledge required in the banking profession
- Management functions of planning, organizing, directing and controlling
- Additional knowledge, skills and abilities essential to your success on the job

## You'll Earn:

- Skills to enable you to move into supervisory and management positions
- Potential for promotion in your present organization
- College credit and a degree.

## You'll Succeed:

- More than half of all new jobs created require education beyond high school.
- Employees with degrees have better chances for promotion.
- Associate degree holders generally earn 30 percent more than high school graduates (according to the U.S. Department of Commerce)
- Many credits from an associate degree can be applied toward a bachelor's degree.
