

# Production Supervisor

## Cintas

Cintas is seeking a Production Supervisor to lead and direct our Production team. Responsibilities include hiring, training and directing individuals who are performing entry level production positions on one of our fast paced shifts; meeting daily productivity and quality requirements; maintaining inventory control; maintaining safety in the plant; training partners on company safety policies; ensuring compliance with OSHA standards and regulations; and emphasizing a culture of safety at the location overall. This is a management position, with hands-on responsibility and accountability for daily production flow and bottom line results.
