

Jefferson State's RAD program was one of the first of its kind in an Alabama 2 year college.

Upon admission to the program, students are involved in clinical activities in area hospitals to gain further hands on knowledge. Most clinicals are 7am to 3pm. Graduates are awarded an Associate in Applied Science degree and are eligible to take the National Registry Exam giving by the ARRT. Once a registered radiographer, you may work in hospitals, emergency clinics or doctor's offices.

The Radiologic Technology Program

is accredited by:

20 N. Wacker Drive, Suite 2850

Chicago, IL 60606-2901

- Applicant must be eligible to enroll in MTH 100 or higher level math course. Note: MTH 116 is a lower level math and will not meet requirements
- Applicant must be eligible to enroll in ENG 101.
- Mandatory Admission Orientation attendance required if admitted to program. Failure to attend may result in a forfeit of your admittance
- Applicant must pass a background check if admitted to program by the mandatory admission orientation session.
- Applicant must pass a drug screen prior to clinical rotations.

CURRICULUM

Upon admission, the student will observe the following curriculum outline:

First Term:

MTH 100 Intermediate College Algebra
BIO 201 Anatomy & Physiology I
RAD 111 Introduction to Radiography
RAD 112 Radiographic Procedures I
RAD 113 Patient Care
RAD 114 Clinical Education I

Second Term:

BIO 202 Anatomy & Physiology II
RAD 122 Radiographic Procedures II
RAD 125 Imaging Equipment
RAD 124 Clinical Education II

Third Term:

ENG 101 English Composition I
RAD 135 Exposure Principles
RAD 136 Radiation Protection & Biology
RAD 134 Clinical Education III

Fourth Term:

ENG 102 or SPH 106 or 107
PSY 200 General Psychology
RAD 212 Image Evaluation & Pathology
RAD 214 Clinical Education IV

Fifth Term:

Humanity Elective
RAD 227 Review Seminar
RAD 224 Clinical Education V
