

Spring House Restaurant - Alexander City, Alabama
Pastry Chef/Baker

Contact - Pete McKenny. Executive Chef - 256-786-2415

We are a scratch kitchen making all our pastries and bread in house.

We also have a grocery store that is part of the Crossroads development. There, they also do all their breads and pastries from scratch. The job would consist of working both outlets, a 40+ hour work week with great pay.
