

Mountain Brook Baptist ELC

learn * pray * play

The Mountain Brook Baptist Early Learning Center (ELC) is bursting with preschoolers who are having a great time!

In addition to learning about Jesus, they are learning colors, letters, numbers, how to share, how to be a helper, and so much more.

All programs in the ELC are based on the Wee Learn Curriculum. Our philosophy is that children learn by doing, and we facilitate that learning by providing a variety of materials, experiences, and activities appropriate for their level of development.

We see each child as a unique individual, and we strive to instill in each child a positive self-image and confidence in their own abilities. We would love for you to apply and learn more about our beautiful, state-of-the-art facility where our children learn, pray, and play.

Please feel free to contact our staff for more information at (205) 803-3490 for the following positions:
