Joint Review Committee on Education in Radiologic Technology

The Radiologic Technology Program at Jefferson State Community College is accredited by the Joint Review Committee on Education in Radiologic Technology. The JRCERT develops educational standards that are accepted by professionals in the radiologic sciences. The program has a full 8-year accreditation with the next review date in October 2014. The JRCERT may be contacted at <http://www.jrcert.org/> or:

The JRCERT is the only agency recognized by the United States Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA), for the accreditation of traditional and distance delivery educational programs in radiography, radiation therapy, magnetic resonance and medical dosimetry.
