

ALTERNATIVE ACTIVITY IN PLACE OF OBSERVATION HOURS

***Important:** The assignment must be completed in its entirety and included in the application

Purpose: To help potential students research the world of physical therapy and expose them to reliable websites, prior to starting the program. The applicant will earn 5 points for correct completion of this document towards their admission total.

1. Please visit the following website: <https://www.choossept.com/aboutptsptas/default.aspx>.
 - a. Please type out the 11 practice areas which a PT and/or PTA can practice.
 - b. Pick a practice area above that is unfamiliar to you and summarize (in your own words) about 2 things that you learned from that practice area.
2. Which of the following do you feel are **NOT** within the scope of practice of a PTA?
Underline all that apply.
 - a. Soft tissue/Deep Tissue mobilization
 - b. Gait training
 - c. Changing the plan of care on the initial evaluation
 - d. Pain management
 - e. Strengthening of muscles
 - f. Administration of medicine
 - g. Stretching of muscles
 - h. Joint mobilizations
 - i. Performing interventions outside the plan of care
3. Refer to Physical Therapist Assistants (titled Physical Therapist Assistants and Aides) in the Occupational Outlook Handbook (OOH) under the *U.S. Bureau of labor statistics* website. <https://www.bls.gov/OOH/healthcare/physical-therapist-assistants-and-aides.htm#tab-1>
 - a. Please watch the video on the summary tab.
 - b. According to the quick facts, what is the median pay for a PTA, per year and per hour?
 - c. As far as the job outlook, what is the expected percentage of growth through 2028?
 - d. What are the typical hours of work for a physical therapist assistant?
4. Some students may confuse physical therapist assistants (PTA) with athletic training or personal training. This section will help you tease out the differences.
 - a. Utilizing the following website, <https://www.bls.gov/OOH/healthcare/athletic-trainers.htm...>
 - i. Where do Athletic trainers work?
 - ii. What is the typical entry-level education?
 - iii. According what athletic trainers do, who do they work with as far as patients?
 - iv. Who are they supervised by?
 - v. What are the typical hours of work for an athletic trainer?
 - b. Utilizing the following website, <https://www.bls.gov/OOH/personal-care-and-service/fitness-trainers-and-instructors.htm...>
 - i. Where do fitness trainers and instructors work?
 - ii. What is typical entry-level education?
 - iii. What are the typical hours of work for a fitness instruction trainer or instructor?

5. Some students also may feel as though we are similar to nursing. While that is semi-true, we want to make sure you understand there are some differences. Please utilize the following website for this section: <https://www.bls.gov/OOH/healthcare/registered-nurses.htm#tab-1>. Please place an X under the appropriate heading.

Criteria	PTA	RN	Both
