JE Application Deadline due by 4:30 pm:

Fall term – May 21

Spring term – October 13

Jefferson State Community College and the University of Alabama at Birmingham are excited to offer students the option to obtain BOTH an associate degree in nursing (ADN) from JSCC **AND** a baccalaureate degree (BSN) from the University of Alabama at Birmingham at the SAME time!!!! Simultaneously completing the requirements for both the ADN and BSN programs will allow students to complete their programs of study in a much shorter time period while taking advantage of the lower community college credit hour costs!

Students will be admitted to the Joint Partnership option each **FALL and SPRING**. You must complete applications and be accepted to both schools. ALL general education coursework **MUST** be completed prior to admission in the Joint Partnership option. Students may be admitted conditionally if taking general education requirements in the semester prior to nursing program entry.

A specific application to JSCC's JE Nursing Education Program must also be submitted to determine. If a student is unsuccessful in **ANY** nursing course, they will be unable to continue with the Joint Program. Should this occur, these students will have the option of continuing in the JSCC ADN program or applying to UAB's traditional BSN program based upon program progression guidelines.

All interested students are strongly encouraged to review our website information especially the admission checklist, ranking sheet, frequently asked questions, etc. If you have a bachelor's degree, please contact Dr. Walker to discuss you specific requirements. Advising appointments are available with Dr. Walker upon request.

Joint Partnership (UABNCCP) Applicants must also meet the following criteria:

- ✓ Be unconditionally admitted and in good standing with BOTH UAB and JSCC. Students applying for the JE program **only** may be conditionally admitted pending last transcript from transferring college. If transferring to JSCC, please apply as a “**transfer**” student.
- ✓ You are strongly encouraged to complete JSCC’s college application by at least a month before applying as you must be accepted to JSCC before you can send and have transcripts evaluated. Also, plan to send a current transcript as soon as possible to begin the evaluation process even if currently taking courses at another college. Transcripts can then be sent again at the end of summer and fall semesters if you continue to take required courses.
- ✓ Submit Joint Program application on or before the posted deadline.
- ✓ Minimum of **20 ACT** composite National or Residual (offered at all Alabama Community Colleges). Cannot be older than 5 years at time of application deadline.
- ✓ Complete all required academic courses prior to application deadline or you may be admitted conditionally pending successful completion of ALL required coursework during the term prior to admission. Official transcripts must be received and evaluated prior to the first day of your admission term.
- ✓ Minimum of **2.5** cumulative GPA on all college work.
- ✓ Minimum of **2.5** GPA on required academic courses for nursing.
- ✓ Meet the essential functions of the nursing program.
- ✓ All required general education course must be completed with a grade of “C” or higher for program admission and completion.

Admission to the UAB/JSCC Joint Nursing Program is competitive. The number of students admitted is limited by the number of faculty and clinical facilities available. Meeting minimum requirements does not guarantee acceptance.

Published guidelines and requirements are subject to change without notice.
Updated information will be posted on the Jefferson State web site as available
