GENERAL CONDITIONS AND INSTRUCTIONS TO BIDDERS

1. *"All bids shall be sealed when received"* (Alabama Code § 41-16-54). Bids delivered by the vendor, United States Postal Service, Federal Express, UPS, or other delivery service must have the bid number indicated on the envelope. It is the responsibility of the vendor to have the bid proposal delivered to the correct addressee and location.
2. Bids must be received prior to bid opening date and time. Late bids will not be considered.
3. All information shall be entered in ink, typewritten or computer generated in the appropriate space on the forms. An authorized company representative must sign bid in ink.
4. Prices submitted on the bid must remain effective for a period of thirty (30) days for complete bid evaluation.
5. Jefferson State Community College reserves the right to reject any or all bids, or any part thereof, and to waive any technicality in the bidding in the best interest of the Institute. Bids will be awarded in a manner which appears to be in the best interest of Jefferson State Community College. Bids may be awarded to multiple bidders.
6. This proposal is to be made without connections with any other person, company, or parties making a bid or proposal and is to be in all respects fair and in good faith, without collusion or fraud.
7. Bid prices are not to include tax. Tax exemption certificate furnished upon request.
8. Quote F.O.B. delivered to sites listed in specifications. The successful bidder must assume all liability/responsibility for damage in transit.
9. The responsibility of determining the acceptability of any products offered rests solely with Jefferson State Community College.
10. Successful bidder will be required to submit a copy of General Liability (umbrella) insurance. The copy must show amount limits for automobile, workmen's compensation, etc. (applicable for the delivery of materials, supplies, etc.)
11. Bidder shall, at its sole expense, procure and keep in effect all necessary permits and licenses required for its performance of the requested work or service.
12. Successful bidder must provide a copy of current state, county or city business license, general contractor's license or applicable license as required by law.
13. It is the responsibility of the bidder to inspect the facilities (grounds, road access, and buildings) for delivery method, installation and/or set-up of materials, supplies and/or equipment. Failure to inspect the facilities will not relieve the bidder of responsibility to provide for delivery F.O.B. or additional costs associated with delivery, installation and set-up as requested in the bid
14. All bidders are required to complete a Disclosure Statement. Act 2002-955 requires the disclosure statement to be completed and filed with all proposals, bids, contracts, or grant proposals to the State of Alabama in excess of \$5,000. A Vendor Disclosure Statement is included in the bid proposal. Any changes to the status of the information on this form will require the submission of an updated form to the college.
15. Successful bidder will be required to complete the Alabama Immigration Law Compliance Documents and provide documentation of enrollment in the E-Verify program. The Alabama Immigration Law Compliance Documents are included in the bid proposal.
16. All bids must be notarized.
17. Bidders desiring further information or interpretation of plans or specifications must make requests in writing to Ann Cimalore, Financial Services, 2601 Carson Road, Birmingham, AL 35215-3098, at least seven (7) days prior to bid opening. Questions can also be submitted via email at purchasing@jeffersonstate.edu Answers to such requests will be given to all recorded bidders, in addendum form, which will be included as part of the contract documents.
18. When brand name or catalog number is not stated by the bidder, it is understood the offer is exactly as specified.
19. Bid prices are to remain in effect from award date May 2022 through, April 30, 2023.
20. The contract may be extended for a period of two additional years if no changes are made in the specifications and/or pricing by the vendor. JSCC and the vendor must agree in writing for the contract extension.
21. Jefferson State Community College may cancel this agreement at any time with 30-day written notice.
22. Payment shall be contingent upon the College's inspection of and satisfaction with completed work or materials.
23. Any defective work or materials, non-conformance to bid specifications, damaged materials, or unsatisfactory installation shall be corrected to the College's satisfaction by the successful bidder at no additional charge.
24. Notwithstanding any other provision in this Agreement, the parties acknowledge and agree that the terms and commitments contained herein shall not constitute a debt of the State of Alabama in violation of Section 213 of the Constitution of Alabama of 1901, as amended by Amendment No. 26.
25. It is further agreed that if any provision of this Agreement shall contravene any statute of Constitutional provision, either now in effect of which may be enacted during the term of this Agreement, then the conflicting provision of the Agreement shall be deemed null and void.

26. The bidder acknowledges and agrees that its sole and exclusive remedy for any monetary claim or any claim for which Jefferson State Community College has sovereign immunity that may arise from or relate to this Agreement is to file a claim with the Board of Adjustment of the State of Alabama. Any claim for equitable relief or for which Jefferson State Community College does not have sovereign immunity shall be brought exclusively in the appropriate state or federal court situated in and/or covering Jefferson County, Alabama.
27. This Agreement shall be governed by and construed in accordance with the laws of the State of Alabama without giving effect to any choice or conflict-of-law provisions or rules (whether of the State of Alabama or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of the State of Alabama.
28. These terms and conditions shall supersede any contrary language in any agreement entered into by the parties. All terms shall be reduced to writing and will not rely on any oral terms, nor shall any oral terms or agreement be incorporated herein.
29. As an entity of the State of Alabama, the parties recognize and agree that Jefferson State Community College cannot and will not agree to indemnify any party to a contract resulting from this bid.
30. In accordance with the recommendations of the Governor and the Attorney General of the State of Alabama, the parties shall consider settling all disputes arising from or related to this agreement by using appropriate forms of non-binding alternative dispute resolution.
31. In the event of proration of the fund from which payment under which this agreement is to be made, the agreement will be subject to termination.
32. Jefferson State Community College reserves the right to purchase according to availability of funds.
33. All applicable shipping and handling costs must be included in the pricing submitted with the bid.
34. Jefferson State Community College will not accept prepay terms for the items and services in this bid.
35. In compliance with Act 2016-312, the contractor hereby certifies that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.

NONRESIDENT BIDDER INFORMATION

Public Works Bids

Section 39-3-5 of the Alabama Code provides as follows:

§ 39-3-5. Preference to resident contractors in letting of certain public contracts required, reciprocity.

(a) In the letting of public contracts in which any state, county or municipal funds are utilized, except those contracts funded in whole or in part with funds received from federal agency, preference shall be given to resident contractors, and a nonresident bidder domiciled in a state having laws granting preference to local contractors shall be awarded Alabama public contracts only on the same basis as the nonresident bidder's state awards contracts to Alabama contractors bidding under similar circumstances; and resident contractors in Alabama, as defined in Section 39-2-12, be they corporate, individuals, or partnerships, are to be granted preference over nonresidents in awarding of contracts in the same manner and to the same extent as provided by the laws of the state domicile of the nonresident.

(b) Nonresident bidders must accompany any written bid documents with a written opinion of an attorney at law licensed to practice law in such nonresident bidders' state of domicile, as to the preferences, if any or none, granted by the law of that state to its own business entities whose principal places of business are in that state in the letting of any or all public contracts.

(c) A summary of this law shall be made a part of the advertised specifications of all projects affected by this law. (Acts 1984, No. 84-228, p.348.)

Personal Property or Contractual Services Bids

Section 41-16-57 of the Alabama Code Provides as Follows:

(b) The awarding authority in the purchase of or contract for personal property or contractual services shall give preference, provided there is no sacrifice or loss in price or quality, to commodities produced in Alabama or sold by Alabama persons, firms, or corporations. Notwithstanding the foregoing, no county official, county commission, school board, city council or city councilmen, or other public official, state board, or state agency charged with the letting of contracts or purchase of materials for the construction, modification, alteration, or repair of any publicly owned facility may specify the use of materials or systems by a sole source, unless:

(1) The governmental body can document to the satisfaction of the State of Alabama Building Commission that the sole source product or service is of an indispensable nature, all other viable alternatives have been explored, and it has been determined that only this product or service will fulfill the function for which the product is needed. Frivolous features will not be considered.

(2) The sole source specification has been recommended by the architect or engineer of record and who also documents that there is no other product available and that the use of the requirement is of an indispensable nature and why.

(3) All information substantiating the use of a sole source specification is documented in writing and is filed into the project file.

VENDOR CERTIFICATION BY ALABAMA DEPARTMENT OF REVENUE

Certification Pursuant to Alabama Act Number 2006-557

Alabama Law (Section 41-4-116, Code of Alabama 1975) provides that every bid submitted, and contract executed shall contain a certification that the vendor, contractor, and all of its affiliates that make sales for delivery into Alabama or leases for use in Alabama are registered, collecting, and remitting Alabama State and Local sales, us, and/or lease tax on all taxable sales and leases into Alabama. **By submitting this bid, the bidder is hereby certifying that they are in full compliance with Act Number 2006-557,** they are not barred from bidding or entering into a contract pursuant to 41-4-116 and acknowledges that the awarding authority may declare the contract void if the certification is false.

“In compliance with Act 2016-312, the contractor hereby certifies that it is not currently engaged in, and will not engage in, the boycott of a person or an entity based in or doing business with a jurisdiction with which this state can enjoy open trade.”

Bid Specifications for JSCC Bid #22-010 For Welding Equipment

Dual Portable Welding Machine

An engine driven welder that has the power of two welders running from a single diesel welder/generator with dual welding outputs. The arc welding machine should provide substantial power to multiple welding arcs, run quietly, and have variable engine RPM and auto start/stop capabilities. In addition, the machine should feature an advanced user interface on two LCD screens. Screens should host intuitive user functionalities and allow the adjustment of machine output at the arc for productivity, site safety, and overall weld quality.

- Two welders powered by one diesel engine
- Two LCD screens
- User-friendly interface provides easy setup and increased functionality
- Maintenance reminders
- Auto stop/start functionality
- Full control of the output at the arc
- Steady output during arc stops and starts in dual mode
- 3/8 in. Gouge with carbons on single mode
- Spool Gun direct connect
- Multi-process and able to run two different processes at one time (Process SMAW, FCAW, GMAW, GTAW, and CAC-A)

Plasma Cutter

Full-Length Machine Torch, 75° Hand Torch & 180° Full-Length Mechanical Torch with CPC Port, Voltage Divider, and Remote Pendant with maximum productivity. Cutter should finish jobs faster with cut speeds two and a half times greater than oxyfuel on 1/2" mild steel. The plasma cutter should provide the following:

Specifications:

- Hand torch cut capacity
- Easy-to-use for cutting and gouging
- Change in air pressure not required
- Technology should ensure that it is always correctly set
- Drag cut at full output with a shield that reduces dross buildup for smoother cutting
- High-impact and heat resistant torches
- Technology to ensure consistent starting and low maintenance

Capacity Thickness Cut Speed Cutting up to 1" 20 ipm 1-1/4" 10 ipm Severance (hand cutting) 1-1/2" 5 ipm Pierce* 3/4" * Pierce rating for handheld use or with automatic torch height control Capacity Metal removal rate Groove profile Gouging Typical gouge 19.5 lbs. per hour .23" D x .28" W

Mechanical Cutting up to 1" (19 mm) at cutting speeds of 20 ipm (500 mm/min)
Maximum: up to 1" (25 mm) at cutting speeds of 10 ipm (250 mm/min)
Severance: up to 1-1/4" (32 mm) at slow 5 ipm (125mm/min)
Gouging metal removal rate: of 10.7 lbs. (4.8 kg) per hour
Groove Profile: .14"(3.5mm) D x .26"(6.6 mm) W

Plasma Cutting Table

This specification is for a CNC based plasma cutting table complete with cutting unit and software. The installation, setup and training of the CNC plasma cutting table will be required. Also included will be CNC training for three community college welding instructors or more. Consumable use to be compatible with the other tables.

General Specifications

- Complete dual tool cutting area
- 80-amp Plasma Cutter – Cut up to 3/4" Mild Steel
- Digital Height Control
- Magnetic Torch Breakaway
- Visual Machine Designer Software and Shape Library
- CAD Software
- DXF Importer (use with and CAD)
- Integrated Water Table
- Touch Screen HMI
- Consumable Starter Kit
- Technical Phone Support
- 2-year complete, single source warranty

Technical Requirements

- Table Dimensions: Compatible with existing table (74 in. X 67 in. X 63 in.)
- Bed Type Waterbed with 50-gallon minimum capacity
- Stepper Motors: 396 oz-in motors
- Maximum Speed: 500 ipm
- Linear Guidance: Profile linear rail
- Drive System: Hardened Rack and Pinion
- Gear Engagement: Spring loaded
- Height Control: Integrated Arc Voltage Height Control (AVHC) with magnetic torch breakaway
- Frame Construction: Steel

Onsite Training Requirements

- Machine Set Up
- Grounding
- Configuration
- Network Connection
- Machine Safety
- Run File
- How to get help
- CAD Resources
- AVHC Setup
- Cut Projects
- Training for instructors (Minimum 3)
- Unlimited Student License for Campus Computers

Laptop for Plasma Table

- Compatible with Plasma Table

Track Torch

A portable system designed for cutting, you can utilize either oxy-fuel or plasma torches. It can also carry a Plasma torch for gouging used in all positions.

A drive motor to suit all applications with speeds from 2.5 to 100 ipm

Integrated start delays allowing arc transfer before tractor motion

- Process Stop Control stops the entire process automatically
- Integrate with current plasma cutter
- Vertical and bevel cut charts.
- Torch alignment guide for bevel cutting setup
- Heavy duty racking for smooth and stable operation
- Built-in degree dial on bevel and lead/lag angle
- Bright digital pre-settable travel speed meter for actual ipm
- Torch breakaway with auto process stop
- Auto shutdown at end of plate
- Pierce timer settable directly in seconds
- Display shows tractor speed in inches/min or cm/min
- Emergency stop

Mobile filtration

This is a filtering system that can move to various places as needed. The main reason is for the Plasma cutting table. The plasma table will be in the shop where proper ventilation is not adequate. Therefore, a Portable ventilation system would be sufficient for the equipment, and the machine is not used daily.

Style – Portable

Input Voltage – 120

Air Flow - 750

Standard Arm Dimensions Minimum 10ft

Filter Type - MERV type

Depth Inches Maximum 50"

Height Inches Maximum 40"

Width Inches Maximum 35"

- Generous Airflow: 735 CFM with flexible extraction arm. CFM level is dependent upon arm length, fan type and system maintenance.
- Internal spark arrestor
- Prevents sparks from reaching the filter.
- Filter status indicator with visual guide to remaining filter life.

Iron Worker

The ironworker is a needed piece of equipment that reduces time in cutting material for the class. This also gives the student more opportunities to gain experience the use of another piece of equipment and not have to stand around and wait for other cutting equipment to become free for use. This is used in the industry and would benefit students to know the proper use of a piece of equipment before entering the industry.

Punching Capacity - 50 ton, 1-1/4" in 1/2", 13/16" in 3/4"

Flat Bar Shear - 14" Length, 3/4" x 4", 1/2" x 8", 3/8" x 10", 1/4" x 14"

Angle Shear 90 degree - 4" x 4" x 3/8"

Angle Shear 45 degree - 2" x 2" x 1/4"

Brake 8" - 30 Ton

Brake 12" - 25 Ton

Hydraulics Minimum 2350 psi

- Single Operator, 5 Stations
- Electric remote foot pedal
- Angle shear
- Flat bar shear with 4-way reversible blade - Rectangle notcher - Electrical box supplied with emergency palm button & lock-out tag-out accommodations - All guards necessary to comply with ANSI B11.5 safety standards

Carbon Arc-Gouging System Specifications

The Carbon Arc-Gouging System will be used in a welding lab for educational training purposes by students in a high school and college grade level.

Equipment: Carbon Arc-Gouging System, For Metal Fabrication, Maintenance, Repair, Automotive, Vocational and Construction. Courses to be used in:

1. AUT 186 Principles of Welding and Metal Cutting
2. AUT 191 Special Topics – Welding

The system shall have flexible multi-process capability –Including stick, TIG (DC), MIG, flux-cored welding and carbon arc gouging with up to a 3/8 in. (9.5 mm) carbon. It shall include:

- Inverter Technology
- Portability
- Bight Digital Amp and Volt Meters
- Selectable Hot Start Capability
- Variable Arc Control
- Full Feature Remote Control Capability
- Compatibility with Jefferson State Community College existing inventory of Lincoln K963-3 Hand Amptrols & K870 Foot Amptrols

Arc-gouging torch/gun must be included: Cable Length 2M, Minimum

Accessory Kit must be included: 400 Amp Capacity Minimum

Rated Output: 5- 500A Range
450A/38V/60% Duty Cycle
400A/36V/100% Duty Cycle

Input Power: 380/460/575/3/50/60/230

Input Current @ Rated Output: 37/27/22 Amps
29/21/17 Amps

Equipment must also include:

- Manual controls with air filter and expendables kit
- Minimum of 1 year warranty
- Meets OSHA standards for safe operation and includes current safety technology.
- Minimum assembly required
- Allows for normal routine maintenance using industry standard maintenance procedures and materials.
- Includes installation hardware, fasteners, connectors, and other furnished items for normal intended use.
- Cost of shipping, applicable training, applicable installation and set up to be included in price.

VENDOR DISCLOSURE STATEMENT

Vendor Disclosure Statement Information and Instructions

Act 2002-955 requires the disclosure statement to be completed and filed with all proposals, bids, contracts, or grant proposals to the State of Alabama more than \$5,000. The disclosure statement is not required for contracts for gas, water, and electric services where no competition exists, or where rates are fixed by law or ordinance. In circumstances where a contract is awarded by competitive bid, the disclosure statement shall be required only from the person receiving the contract and shall be submitted within ten (10) days of the award.

A copy of the disclosure statement shall be filed with the awarding entity and the Department of Examiners of Public Accounts and if it pertains to a state contract, a copy shall be submitted to the Contract Review Permanent Legislative Oversight Committee. The address for the Department of Examiners of Public Accounts is as follows: 50 N. Ripley Street, Room 3201, Montgomery, Alabama 36130-2101. If the disclosure statement is filed with a contract, the awarding entity should include a copy with the contract when it is presented to the Contract Review Permanent Legislative Oversight Committee.

The State of Alabama shall not enter any contract or appropriate any public funds with any person who refuses to provide information required by Act 2002-955.

Pursuant to Act 2002-955, any person who knowingly provides misleading or incorrect information on the disclosure statement shall be subject to a civil penalty of ten percent (10%) of the amount of the transaction, not to exceed \$10,000.00. Also, the contract or grant shall be voidable by the awarding entity.

Definitions as Provided in Act 2002-955

Family Member of a Public Employee - The spouse or a dependent of the public employee.

Family Member of a Public Official - The spouse, a dependent, an adult child and his or her spouse, a parent, a spouse's parents, a sibling and his or her spouse, of the public official.

Family Relationship - A person has a family relationship with a public official or public employee if the person is a family member of the public official or public employee.

Person - An individual, firm, partnership, association, joint venture, cooperative, or corporation, or any other group or combination acting in concert.

Public Official and Public Employee - These terms shall have the same meanings ascribed to them in Sections 36-25-1(23) and 36-25-1(24), Code of Alabama 1975, (see below) except for the purposes of the disclosure requirements of this act, the terms shall only include persons in a position to influence the awarding of a grant or contract who are affiliated with the awarding entity. Notwithstanding the foregoing, these terms shall also include the Governor, Lieutenant Governor, members of the cabinet of the Governor, and members of the Legislature.

Section 36-25-1(23), Code of Alabama 1975, defines a public employee as any person employed at the state, county or municipal level of government or their instrumentalities, including governmental corporations and authorities, but excluding employees of hospitals or other health care corporations including contract employees of those hospitals or other health care corporations, who is paid in whole or in part from state, county, or municipal funds. For purposes of this chapter, a public employee does not include a person employed on a part-time basis whose employment is limited to providing professional services other than lobbying, the compensation for which constitutes less than 50 percent of the part-time employee's income.

Section 36-25-1(24), Code of Alabama 1975, defines a public official as any person elected to public office, whether or not that person has taken office, by the vote of the people at state, county, or municipal level of government or their instrumentalities, including governmental corporations, and any person appointed to a position at the state, county, or municipal level of government or their instrumentalities, including governmental corporations. For purposes of this chapter, a public official includes the chairs and vice chair, or the equivalent offices of each state political party as defined in Section 17-16-2, Code of Alabama 1975.
