JEFFERSON STATE COMMUNITY COLLEGE
EMERGENCY MEDICAL SERVICES PROGRAM
PROGRAM GOALS

“To prepare competent entry-level Emergency Medical Services Providers in cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains”

EMT Oath

Be it pledged as an Emergency Medical Technician, I will honor the physical and judicial laws of God and man. I will follow that regimen which, according to my ability and judgment, I consider for the benefit of patients and abstain from whatever is deleterious and mischievous, nor shall I suggest any such counsel. Into whatever homes I enter, I will go into them for the benefit of only the sick and injured, never revealing what I see or hear in the lives of men unless required by law.

I shall also share my medical knowledge with those who may benefit from what I have learned. I will serve unselfishly and continuously in order to help make a better world for all mankind.

While I continue to keep this oath unviolated, may it be granted to me to enjoy life, and the practice of the art, respected by all men, in all times. Should I trespass or violate this oath, may the reverse be by my lot.

So help me God.

(Written by: Charles B. Gillespie, M.D. Adopted by the National Association of Emergency Medical Technicians, 1978)
