

JOB OPENING ANNOUNCEMENT

ESTIMATORS

September 21, 2022

C&B Piping, Inc., founded in Adamsville, AL in 1986, is a full-service manufacturing supplier of ductile iron piping systems with a primary focus on the water & wastewater treatment plant construction industry. *Our headquarters and primary manufacturing facility is located in Leeds, Alabama.*

Since our inception in 1986, we have made relationships with our customers the cornerstone of our business. We believe our success, past, present, and future, depends on our ability to continually maintain strong customer relationships through trust, quality products, and our dependable service.

Our Drafters play a large role in helping build and maintain relationships with our customers.

Duties and Responsibilities:

- Provide detailed take-offs from Engineer drawings as well as conceptual estimates.
- Work with other estimators to develop detailed piping take-off.
- Provide support to customers, sales reps, and inside sales team.
- Provide information to support detailed scheduling.
- Focus will be in providing clear and accurate pipe take-offs and material estimates.
- Provide accurate and detailed communication between customers, internal stakeholders, and fabricators.
- Work with manufacturing department and customers to tailor output to exceed expectations.

Candidate Qualifications:

- Previous experience in pipe and fittings manufacturing.
- Ability to read and interpret project specifications and mechanical pipe drawings.
- Excellent management, organization, and communication skills. Stable progressive estimating experience in the mechanical discipline.
- Knowledge of ASME/AWWA codes desired.
- Ability to prioritize tasks, manage multiple projects and meet deadlines.
- Attention to detail, mathematical, analytical skills and accuracy.
- Ability to work effectively and focus on a job task by oneself as well as part of a team.
- Water & Wastewater Treatment Plant Design Experience is highly valued.

C&B Piping offers a highly competitive total compensation package including generous salaries and a benefits package that includes medical, dental, vision, company paid basic life insurance, voluntary life insurance, an Employee Assistance Program, and paid time off.
