

MEDICAL LABORATORY TECHNOLOGY

Jefferson State
Community College

jeffersonstate.edu/mlt

THE PROGRAM:

Medical Laboratory Technicians are important members of healthcare provider teams. MLTs perform a variety of chemical and biological analyses on blood and other specimens to assist physicians in the diagnosis and treatment of disease. Jefferson State's MLT Program prepares students for entry into the field of laboratory medicine in six semesters at a reasonable tuition cost. The program consists of basic academic and MLT courses.
