\$1000 sign-on bonus! \$500 payable after completion of 90 days of employment and \$500 after completion of 6 months of employment.

Monday-Friday; 9:00am-6:00pm; Benefits Eligible

If you are a certified nursing assistant/medical assistant interested in pediatrics and in making a true difference in the lives of children of all abilities, then Hand In Hand is where you belong.

Hand In Hand is a nationally recognized and accredited center where children with and without disabilities learn side by side in an inclusive early learning program. These children learn, play, and grow together and develop an understanding, acceptance and caring for one another. Working with Hand In Hand means being part of something special: a family atmosphere with a team that is passionate about making an impact on the lives of children.

The Certified Nursing Assistant/Medical Assistant is responsible for monitoring the health and wellbeing of the children and providing support and assistance with their medical care. Each day you will be able to see just how much your work matters, and there is no hustle and bustle of a hospital or medical setting!

Collaborating with other team members you will:

Prepare emergency plan protocols specific to a child's medical needs as directed by a physician.

Assist staff with training and performing medical procedures such as administering medications, tube feedings, catheterizations, nebulizer treatments, etc.

Check and verify weekly medications and oversee administration.

Maintain accurate records of prescriptions, allergies, immunizations, and medication administration logs.

Applicant general qualifications include:

At least 2 years related work experience

Experience as a medical assistant in a clinical setting preferred

Successful completion of DHR suitability, background check, drug screen and physical

Interested candidates can apply on-line at <https://www.unitedability.org/about/jobs/>
