

A photograph of two construction workers on a building site, overlaid with a purple tint. One worker in the foreground is wearing a white hard hat and a high-visibility vest, leaning over a table and writing on a large sheet of paper. Another worker in the background is also wearing a hard hat and holding a walkie-talkie. In the background, a multi-story building under construction is visible, with a crane on the left side.

CONSTRUCTION & BUILDING SCIENCE TECHNOLOGY

Jefferson State
Community College

jeffersonstate.edu/cbst

THE PROGRAM:

The program covers the building process from conceptual design to the structures final completion. Students will learn drafting and scheduling software, estimating as well as practical skills used in all construction settings. The Construction Management Program is accredited by the American Council for Construction Education (ACCE).
