

UAB NURSING COMMUNITY COLLEGE PARTNERSHIP

Jefferson State
Community College

THE PROGRAM:

Jefferson State Community College and the University of Alabama at Birmingham are excited to offer students the option to obtain both an associate degree in nursing (ADN) from JSCC AND a baccalaureate degree (BSN) from the UAB at the same time! Simultaneously completing the requirements for both the ADN and BSN programs will allow students to complete their programs of study in a much shorter time period while taking advantage of the lower community college credit hour costs!
