

VETERINARY TECHNOLOGY

Jefferson State
Community College

jeffersonstate.edu/vet

THE PROGRAM:

The Veterinary Technology Program at Jefferson State is a distance education program for students interested in a career in Veterinary Nursing. The theory classes are taught online, and the clinical applications are conducted in approved veterinary hospitals and/or facilities, within the state of Alabama, in which the student will gain clinical nursing skills. This program provides education and specialized training in veterinary nursing; it is not a “stepping stone” for those who aspire to become veterinarians.
