

WELDING TECHNOLOGY

Jefferson State
Community College

jeffersonstate.edu/welding

THE PROGRAM:

Welding is a high-tech industry that can take you places all over the world. From ladders to aircraft carriers, from NASCAR to national defense, and from the laboratory to sales and repair, the varied welding industry impacts virtually every industry; technology is creating more uses for welding in the workplace. The Welding Technology Certificate & AAS Degree option allows students to earn industry-recognized welding certificates issued through the National Construction Center for Education & Research (NCCER) welding curriculum.
