How to View 2 Courses at the Same Time

You can open 2 tabs to view Blackboard or Migrated Course and the Canvas Course side-by-side.

You can also use the keyboard shortcut CTRL + T (to open new tab).

Course 1	×	Course 2	

You can split your Browsers to show side-by-side.

1. Open Course 1 and Course 2 in 2 tabs then drag each tab (one to the left side of the screen until it "snaps" in place; then the other to the right side of the screen until it "snaps" in place.)
