# **COST OF ATTENDANCE**

## **2025-2026**

### **RATIONALE FOR THE COMPONENTS**

#### **Tuition and Fees**

The tuition and fee amount \$2,760.00 for the cost of attendance represent a weighted average then rounded to the nearest hour (15) based on actual enrollment figures for the 2024-2025 fall and spring semesters. Tuition increased from 2024-2025 to 2025-2026 by \$2 per credit hour. Technology Fee and Renewal Fee increased by \$6 each (it is \$15 instead of \$9) beginning Fall 2025. (Appendix A).

#### **Room and Board**

The room and board figures for those students who do not live with parents are based on the following: Rates for a one bedroom apartment in the Northeast area average **\$635.00** per month, rates for one bedroom apartment in the Shelby campus area average **\$952.00** per month and rates for a one bedroom apartment in the Pell City-St. Clair campus area average **\$808.00**, and rates for a one bedroom apartment in the Chilton-Clanton campus area range **\$740.00 per month**. We averaged the four amounts and arrived at **\$784.00 (rounded)** per month as the basis for the room and board figure (Appendix B). We allowed **\$890.00** per month for food and utilities (Appendix C). The cost of one semester is **\$7,533.00** (4.5 months), **\$15,066** for fall and spring (9 months) and **\$5,022.00** (3 months summer). For those students who live with parents, we allocated 50% of the total room and board cost, rounding up to the whole dollar amount.

#### **Books and Supplies**

To arrive at the cost of books for 2025-2026, we used the Pioneer Bookstore's "Pioneer Pack" pricing agreement JSCC has with Barnes and Noble. All students are automatically opted in, with an opportunity to opt-out by a deadline. The cost for books per semester is \$24 per credit hour. Online shopping is available on the basis that each student will be enrolled on average in 5 core classes taught in one term. The classes are based on a student schedule of 15 credit hours. A cost of **\$200.00** for supplies was included to equal a total of **\$560.00** for books and supplies per semester (Appendix D).

#### **Transportation**

For the transportation cost, we assumed that the student would drive to campus 4 times per week for 16 weeks and will drive an average of 35 miles each day round trip. We allowed the mileage rate set by federal and state agencies for 2024 at **.70** cents per mile. Based on the above information the cost for transportation per semester is **\$1,568.00** (fall and spring) and **\$980.00** (Summer is only 10 weeks) (Appendix E)

#### **Personal Allowance**

Personal allowance for 2025-2026 is set at **\$250.00** per month or **\$1,125.00** per semester. (Summer is only 3 months, so the amount of personal allowance is **\$750.00**)

\*The loan origination fee rate for JSCC students is based on the published rates for Direct Subsidized and Unsubsidized Loans by The Department of Education's Federal Student Aid. This amount is not included in the budget <https://studentaid.gov/understand-aid/types/loans/interest-rates> (Appendix F)
