

The **James B. Allen Library** is the Learning Resource Center and Learning Success Center, for students, faculty, staff and the community. It is a library furnishing bibliographies, books, journals, newspapers, and audiovisual materials.

- The Learning Resource Center houses reading, study and lecture rooms, a print shop, networked computer area for students, a multi-media classroom, and staff workroom areas. The Learning Resource Center is also available to students, staff, and the community.
- Enrollment Services, including the areas of financial aid, admissions and records, international students, and veterans' affairs, is housed on the first floor of the Allen Library.

**Bethune-DeRamus Hall** contains classrooms for instruction in English, social science, and general education. It also contains faculty offices and facilities for the Phi Theta Kappa Honors Program, Distance Learning, and Child Development.

**Lurleen B. Wallace Hall** contains facilities for Testing and Assessment, ACT Center, Tech Prep, One-Stop Career Center, Student Success Center, GED preparation classes, and special activities classes.

The **Joe Morris Manufacturing Technology Center** contains a portion of the college's Workforce Development initiative, and the Alabama Technology Network-Birmingham. There are administrative offices, classrooms, laboratories, and training facilities for both credit and non-credit programs, as well as professional development, and business/industry training.

The **George L. Layton Nursing Education Building** contains learning laboratories, classrooms, and offices specially designed for nursing education and health-related programs and biomedical equipment technology. It also contains the music department and the music faculty offices, as well as the photography lab and photography classes.

The **Harold C. Martin Career Education Building** contains a portion of the many career education programs operated at the college. There are laboratories for funeral service education, building science, and veterinary technology.

The **Agriculture Science Center**, located behind the Harold Martin Career Education Building, has three greenhouses, a head house, a lath house and office space.

The **Maintenance Building** contains Central Receiving and Operations and Maintenance, which consists of a carpenter shop and an electrical shop. This building also houses the college's mailroom.

**Birmingham Fire Station No. 28**, owned and operated by the City of Birmingham, is built on campus land leased from the State Board of Education.

The **Fitzgerald Student Center** is the community center of the college for students, faculty, administrators, alumni and guests.

The center houses the Pioneer Bookstore, Student Government Association, Adult College Services, ADA Accommodations Office, and laboratories for hospitality management.

The **Workforce Educational Center** houses Workforce Education classes and Fast Track training programs.

The **Campus Police and Visitors' Information Center** house all activities related to the safety and security of the campus community. The Center, located near the main campus entrance, is operational twenty-four hours a day, seven days a week.

## SHELBY-HOOVER CAMPUS

The Shelby-Hoover Campus, located on approximately sixty acres, currently includes four buildings.

The **General Studies Building** is a 64,000-square foot multi-purpose building that opened in September 2000. In addition to classrooms and laboratories for Jefferson State's Physical Therapist Assistant and Emergency Medical Services Programs, this building includes seventeen other classrooms, science laboratories, computer laboratories, and faculty and administrative offices. The Learning Success Center, Campus Police, Enrollment Services, and the cashier are also available in this building. The Learning Resource Center houses the Shelby-Hoover Campus Library, which has an open student computer lab with Internet access as well as individual study rooms and a multi-media classroom.

The **Math-Science Building** is a 20,000 square-foot, multi-purpose classroom building that includes additional instructional space for mathematics, physical and social sciences, Surgical Technology, and other academic classes as well as adult education classes. Additional offices are also included in this building.

The **Judy M. Merritt Building** is a 127,000 square foot building that opened in spring 2008. In addition to faculty and administrative offices and general education classrooms, this building includes specialized instructional space for the culinary arts, nursing, radiologic technology, respiratory therapy, computer science, workforce education, as well as biology and art labs.

In addition, the President's Office and Pioneer Bookstore II are located in this building. A large meeting room, which has a seating capacity of approximately 375, and a smaller seminar room may be utilized by the College or community groups.

The **Welding Building** is a single story 5,000-square-foot building that opened in fall 2020. This building includes specialized instructional space and 20 welding booths.

## ST. CLAIR-PELL CITY CAMPUS

The St. Clair-Pell City Campus is a permanent facility located near the intersection of Highway 231 and Interstate 20 on land, which was donated by the St. Clair County Economic
