USE OF SOCIAL SECURITY NUMBER

Section 7(b) of the Privacy Act of 1974 (5 U.S.C. 522a) requires that when any Federal, State, or local government agency requests an individual to disclose his/her social security account number, that individual must also be advised whether that disclosure is mandatory or voluntary, by what statutory or other authority the number is solicited, and what uses will be made of it.

Accordingly, applicants are advised that disclosure of their social security account number (SSN) is required as a condition for participation in the Alabama National Guard Educational Assistance Program, in view of the practical administrative difficulties which the Program would encounter in maintaining adequate program records without the continued use of the SSN.

The SSN will be used to verify the identity of the applicant and as an account number (identifier) throughout the life of the grant in order to record necessary data accurately. As an identifier, the SSN is used in such Program activities as: determining program eligibility, certifying school attendance, making and verifying grant payments, and maintaining records of grant payments.

Authority for requiring the disclosure of an applicant's SSN is in section 7(a)2 of the Privacy Act, which provides that an agency may require disclosure of an individual's SSN as a condition for the granting of a right, benefit, or privilege provided by law.

APPLICATION MUST BE COMPLETED AND SENT SECURED FROM THE SCHOOL TO ONE OF THE FOLLOWING:
